Colouring

Instructions

Find your tools: Source coloured pencils, pens and crayons.

Choose your design: Pick an illustrated architectural project or draw your own.

Discover different materials: Colour elements like brick, metal and glass.

Experiment with different textures: Experiment with rough and smooth surfaces.

**Landscaping:** Use earthy-tones such as greens and browns for nature, add brighter colours for flowers.

Dot-to-dot

Instructions

**Complete the following dot-to-dot drawings with a ruler.**

This is a great way to practice precision and develop a steady hand.
Why not bring them to life by colouring them in after?
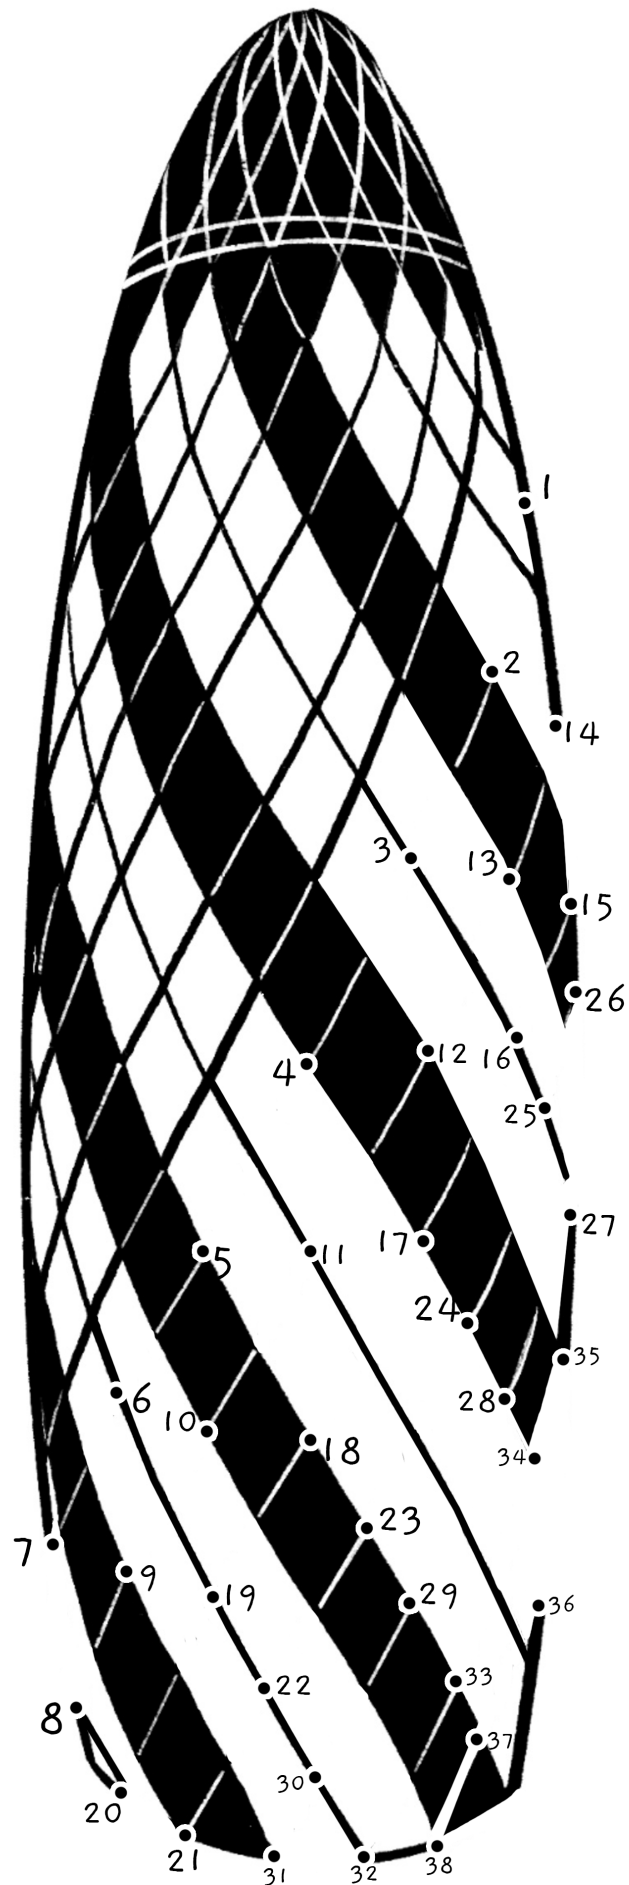

Great Court
at the British Museum
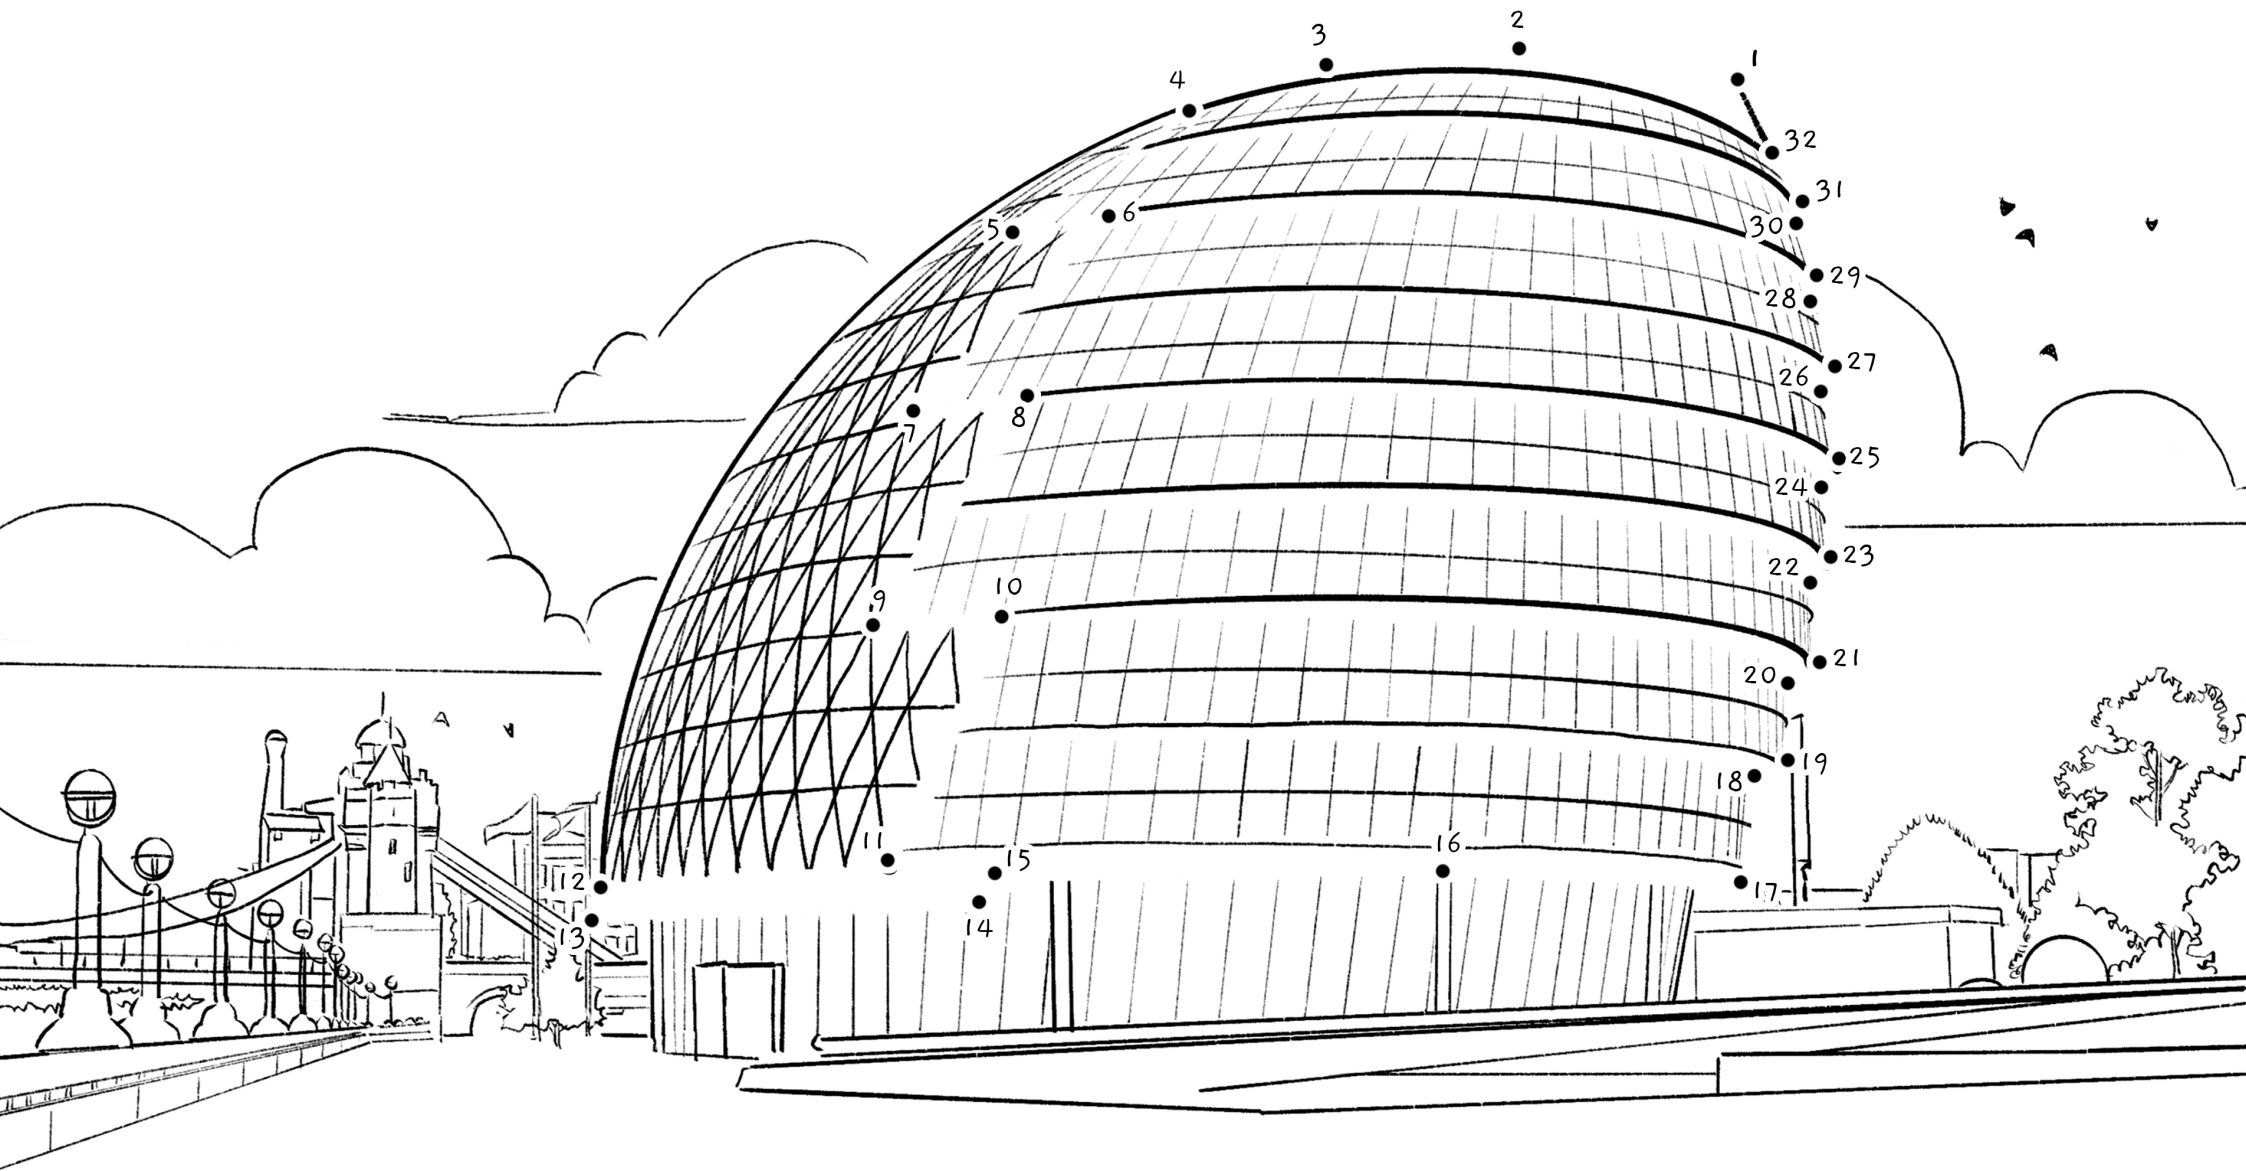

Canary Wharf
Underground Station
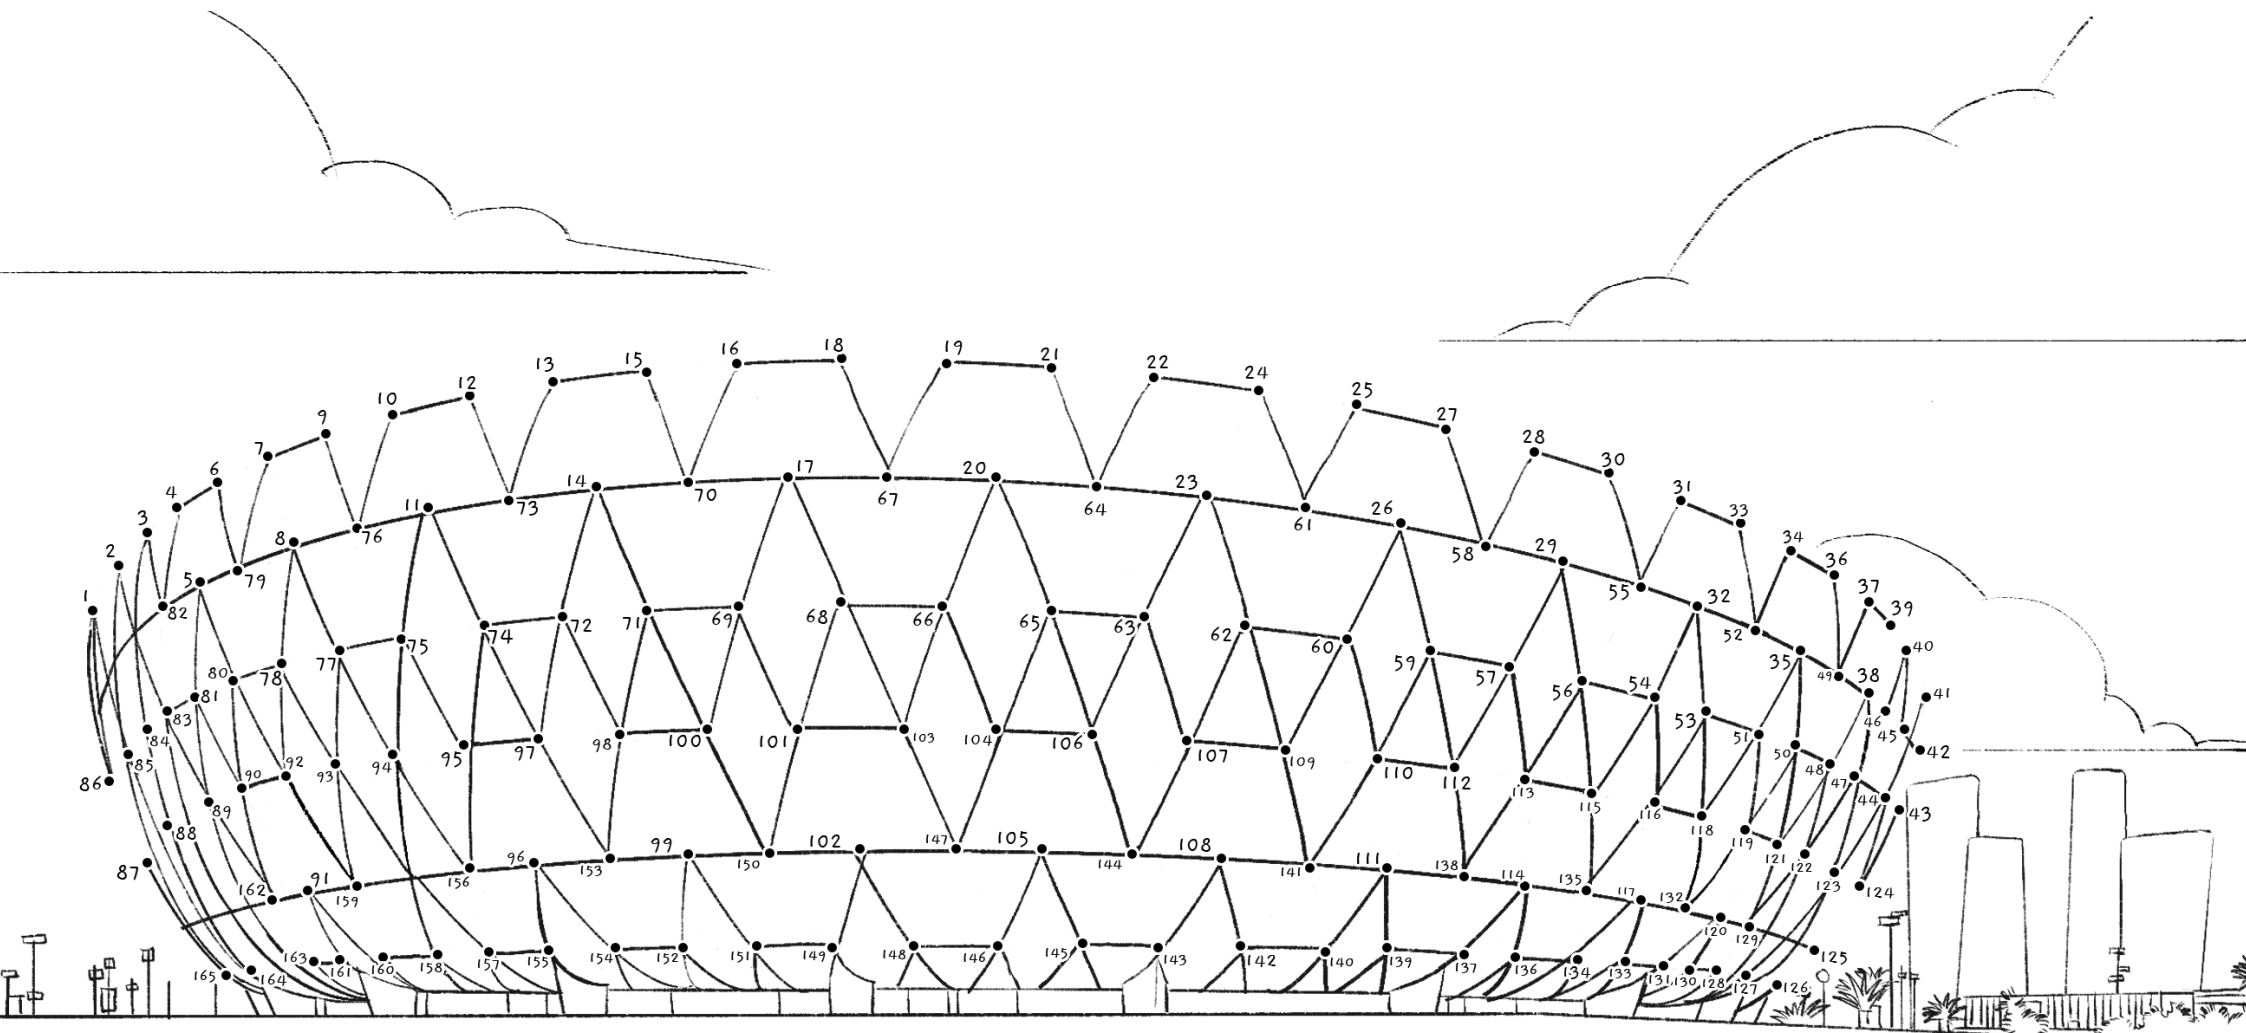

American Air Museum
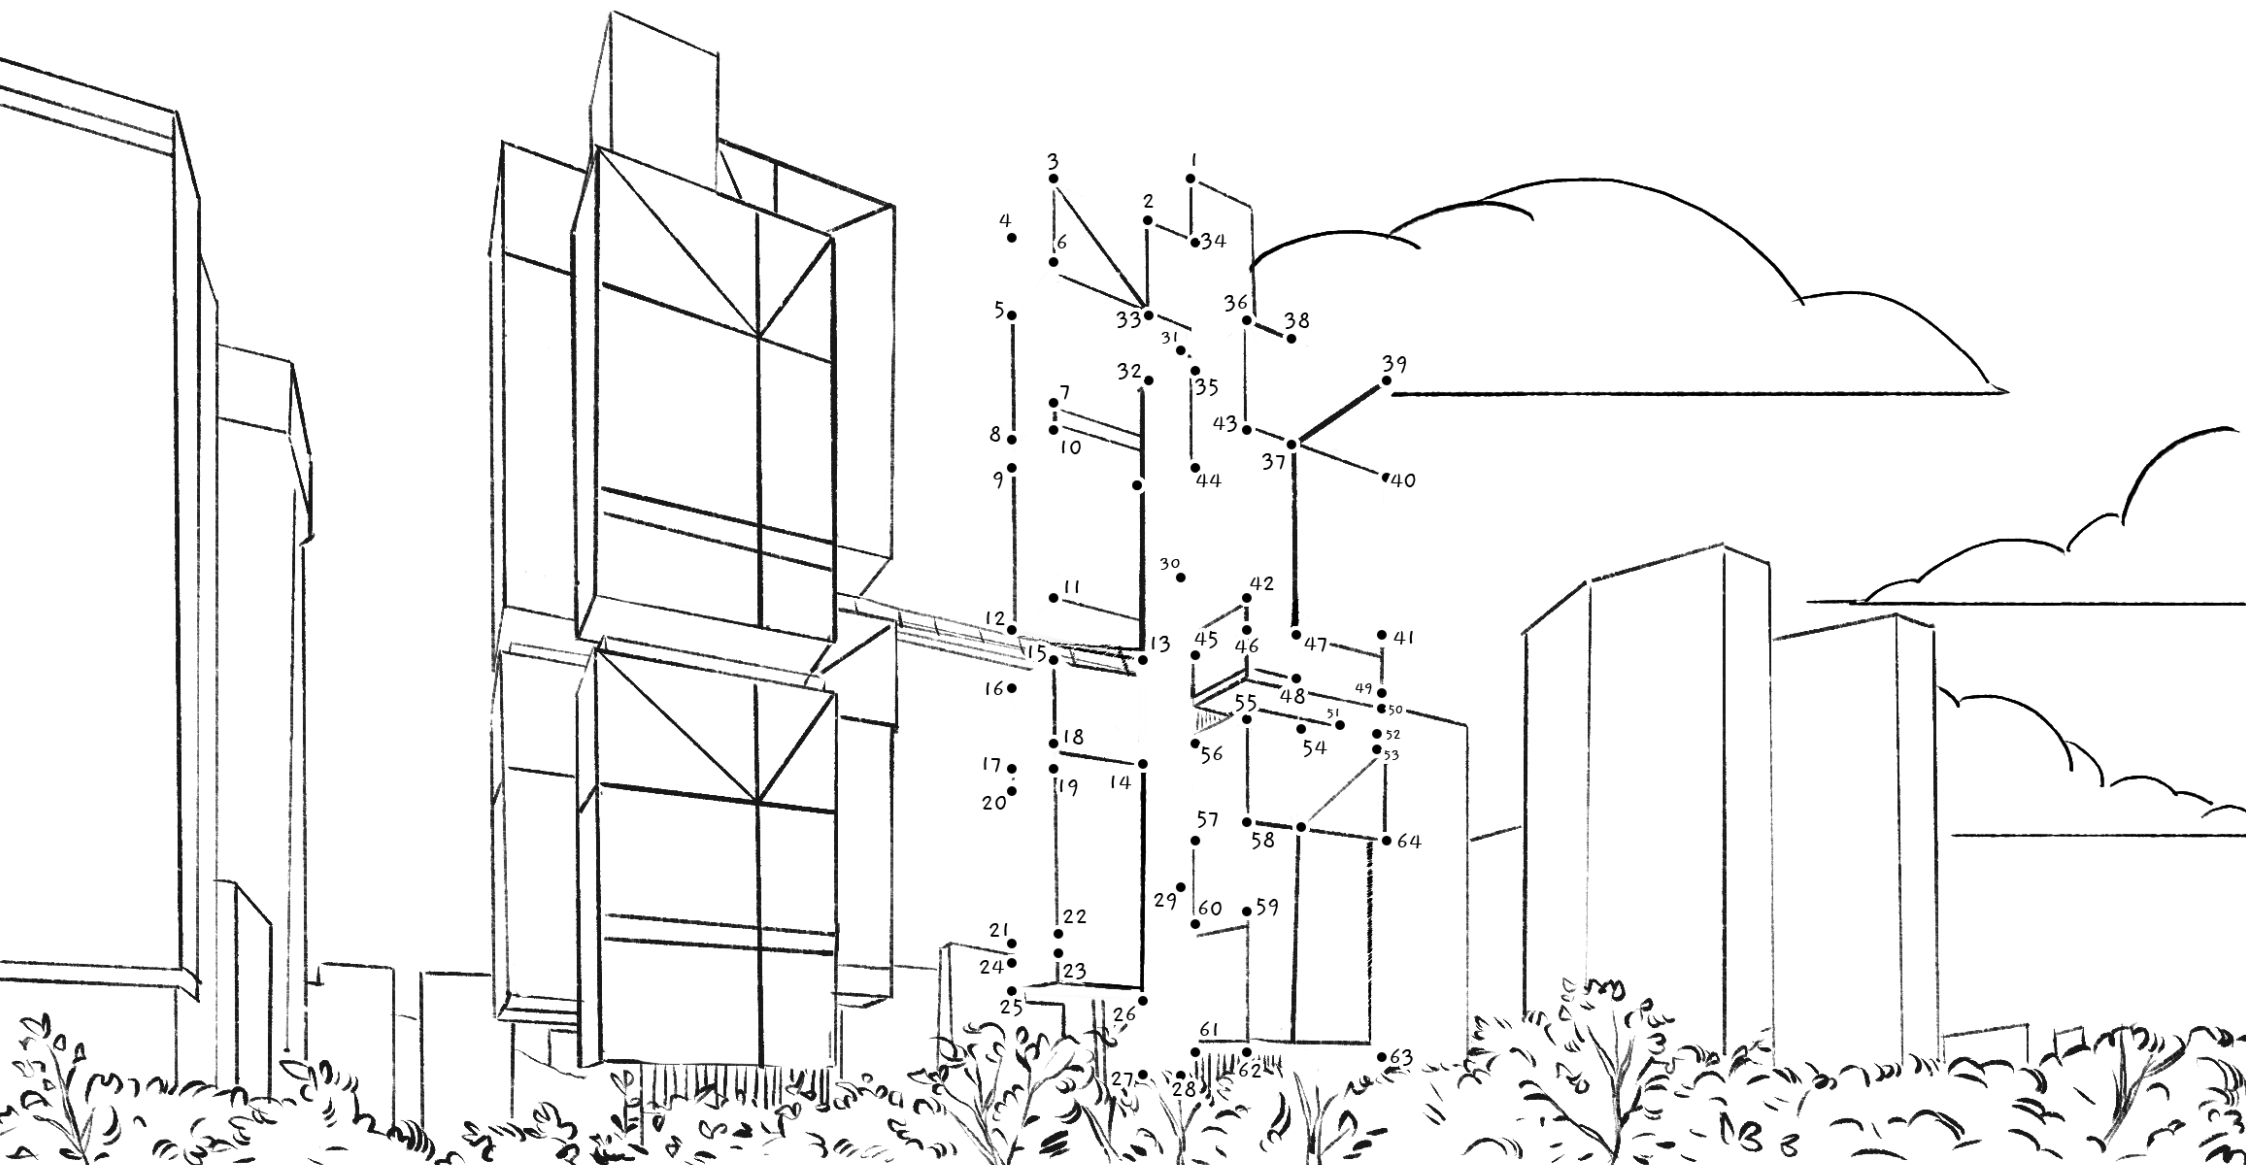

The Gherkin
